

Tudor Grange Academy Redditch

December 2014

End of term arrangements for Years 12 and 13.

Dear Parents/Carers

I write to give you information about the last day of this term and the start of the new term in January.

School will finish at 12.30 for all year groups on the last day of this term, 19th December. Unfortunately, we are unable to reschedule the buses and so any students who are unable to find their own way home at that time may remain in school where they will be supervised. The school will re-open on Tuesday 6th January for all year groups.

The long, dark term before Christmas has certainly been illuminated by the energy and positivity of our 6th form students. After the excitement of the results days it has been a real pleasure to see the achievement at GCSE and AS translated into our new year 12 and year 13 students as they continue their learning journey with us. This is an exciting term for our year 13s and with UCAS applications being completed we now look forward to students receiving offers from Universities across the country.

It has been a pleasure to meet so many parents, first at the well-attended 6th form curriculum evening and the recent 6th form open evening. With so many people taking the opportunity to discuss the next exciting step in their education with us the evening was a real success. With so much interest from within the school and from other local schools in joining our 6th form next year, and with the exciting opportunities planned in collaboration with our fellow trust schools we are looking forward to an exciting period of growth and opportunity for all.

Finally, I would like to thank our 6th form students for their hard work, excellent attitudes and many fund raising efforts this term. Our 6th formers are very important to the school. They are role models, mentors, and ambassadors and we are immensely proud of them all. Thank you.

May I also take this opportunity of wishing you and your family a happy Christmas and New Year.

Yours sincerely

Dr Jonathon Dale.
