

Tudor Grange Academy Redditch

December, 2014

Dear Parents/Carer

Please find enclosed the Progress report for your son/daughter. This consists of a 'Current Grade' 'Attitude to Learning' grade and 'Predicted Grade' for each of their subjects.

The grades are calculated as follows:

Current Grade

This is an assessment of student current achievement in the subject based upon formal assessments which have been carried out this term by all class teachers.

Attitude to Learning Grade

This is a simple three point scale where 'EE' indicates 'Exceeds Expectations'; 'ME' indicates 'Meets Expectations' and 'RI' indicates 'Requires Improvement'

Predicted Grade

This is an assessment that the teacher has made of your son/daughter likely final grade in this subject based on the evidence of assessments to date

For further information about how we set student targets, monitor progress and provide support, please see the document 'A guide to targets and flight paths' which you will find on our website (www.redditch.tgacademy.org.uk) in the 'Curriculum' area.

I would be grateful if you would please sign and return the reply slip at the foot of the page to your son/daughter's tutor by Friday 19th December to confirm that you have received their Progress Report.

Yours sincerely
