

Tudor Grange Academy Redditch

January, 2015

Dear parent/carer

Year 11 'Additional Mocks'

As your son/daughter approaches his/her final examinations, we are determined to provide all the support that we can to ensure that they achieve the best possible grades. There are currently a range of lunchtime and after-school revision classes (please see our website for details www.redditch.tgacademy.org.uk in the 'student' section) and I will write in the next couple of weeks to tell you about our Easter holiday revision classes. As we approach February half term holiday, most courses will be finishing and revision will take precedence within Year 11 lessons.

Examination practice – especially practice in a realistic examination environment has been shown to be beneficial for students preparation for final examinations. We have therefore decided to accommodate an additional mock examination for year 11, specifically to help them with this preparation. The mocks will take place week beginning 9th March and I enclose a timetable (also on our website) which sets out when each examination is. Staff will mark papers to examination standard and will provide feedback to you and your son/daughter. Trends from the mock will also be used to inform the revision programme.

Although no one likes exams, I trust that this mock examination will provide you and your son/daughter some extra reassurance before the summer. If you have any questions or concerns with respect to these examinations, please contact me at matherton@redditch.tgacademy.org.uk.

Thank you for your continued support

Yours sincerely

Mark Atherton

Deputy Headteacher
