

Tudor Grange Academy Redditch – Weekly Bulletin 6

Dear Parent/Carer

Letters

The following letters are attached to this email:

- Year 11 Prom letter
- Year 11 report letter
- Attendance leaflet
- Whole School Production of Broadway
- School Calendar 2015-2016

Further information

Sporting success. This has been a great half term with many sporting successes:

- The U15 boy's basketball team beat Bromsgrove School 29-23. Excellent scoring by Fraser Duggan and Will Moss and great defence by Jayke Haines, Joe Cardy and Owen Kitching. Our team win was made complete with some excellent performances from Ethan McKeown and forward George Widdop.

Water bottles.

To prevent potential accidents from spillage of water students will not be allowed to take cups of water from the restaurant and atrium areas. Can I please ask that students bring a water bottle, which they can fill from the water fountain so that they can drink in class.

Miss Charity Birmingham:

I am proud to announce that Molly Nokes has been shortlisted as a finalist in this year's Miss Birmingham 2015. The Miss Birmingham finals take place Sunday 15th March. Molly will need to demonstrate many skills in order to win, one of which is her work with charity. As you may recall Molly is passionate about charity, she was one of the students who organised and hosted "Tudors

Got Talent”. Molly is going to build on her skills and pursue her passion for charity. She will be organizing a range of charity events in the Academy from the 23rd February until 15th March.

‘Red’ Non uniform ‘day, Friday 6th March

As part of Molly Nokes fundraising for charity a non-uniform day will be held. All students and teachers who participate must wear an item of RED clothing. All participants will be expected to donate £1 to charity. Students are reminded that they cannot wear body, facial or ear piercings and must comply with the Academy policy regarding makeup.

Year 11 Parents

The students have been issued their individual timetables for mock examination – week 2, which begins on 9th March. Students have begun to devise revision timetables in PSE/Study skills- please encourage them to prepare fully. In addition, please be aware that on Thursday 12th March from 6.30-7.30pm, there will be an informative evening regarding study skills and examination guidelines. Letters will be issued the week beginning 23rd February 2015. **Reports are issued today – please return the reply slip.**

Attendance & punctuality

It is crucial that students attend school in order to help them secure their best grades and to participate fully in the curriculum. **Please see the leaflet on the website for more information.**

End of term arrangements

Term ends at the usual time on 13th February 2015. Students return to school on the 23rd February. I hope students have a rest and continue with their revision during this period of time.

If you have any questions or concerns, please contact me on rrees@redditch.tgacademy.org.uk

I would like to take this opportunity to thank all of you for your support of the school and wish you a happy and restful holiday.

Yours sincerely

Rose Rees
Principal
