

## Tudor Grange Academy Redditch

February, 2015

Dear parent/carer,

I have pleasure in enclosing your son/daughter's full report for this academic year.

The report contains comments about your son/daughter's progress in each of their subjects, as well as giving specific targets that they should work on to ensure success in the final examinations. In addition, there are three sets of data for each subject:

- Current Attainment
- Predicted Grade
- Attitude to Learning

The 'Current Attainment' is the grade that your son/daughter is working at, at present. It takes into account controlled assessment (where appropriate) in the same proportion as in the final examination.

The 'Predicted Grade' is the grade that the member of staff believes that your son/daughter is most likely to achieve in the final examination, if they continue with their current level of engagement.

The 'Attitude to learning' grade is on a three point scale from EE (Exceeds Expectations) through ME (Meets Expectations) to RI (Requires Improvement). This grade encompasses a range of factors such as behavior, completion of work by agreed deadlines, quality of Homework, organization and punctuality to lessons

I would be grateful if you would complete the reply slip on the reverse of this letter and return it to your son/daughter's Form Tutor by Wednesday 25<sup>th</sup> February.

If you have any concerns or queries regarding your son/daughter's progress then please indicate this on the reply slip or contact me by phone or e-mail at [blewis@redditch.tgacademy.org.uk](mailto:blewis@redditch.tgacademy.org.uk)

Yours sincerely

Mrs. B. Lewis  
Head of year 11

Tudor Grange Academy Redditch
