### Re Year 11 Revision

Dear Parents Carers

Thank you for all your support during the Spring term. Please encourage your sons/daughters to keep up the momentum regarding revision over the Easter holiday.

Students will receive their individual examination timetables, their seat numbers and the examination information booklet on their return to school after Easter. Please support students in keeping this information safe before and during the examination period.

Thank you

Mrs B Lewis  
(Head of Year 11)
