## Year 13 Study Leave

Dear Parents/Carers

We realise that the next few months are vitally important for your son/daughter and we are keen to support you and them in every way. As the beginning of the external examination season is getting closer, we would like to make you aware of the following arrangements.

The last day of teaching for Year 13 students will be Friday 22<sup>nd</sup> May and students will be allowed to leave college at lunchtime on that day. Discretionary leave will be made available for those students who have AS exams between Monday 11<sup>th</sup> May and Thursday 21<sup>st</sup> May. This will be arranged in advance by the Head of Sixth Form.

Please find attached a copy of the complete timetable for the forthcoming AS/A Level examinations. All students have been issued their individual statement of examination entries. These should be checked carefully for any errors or omissions and any issues should be raised with the Head of Year 13.

All our heads of department have put together revision schedules and these can be viewed on our website (navigate to 'Curriculum' and 'Exam Countdown').

Alternatively please use the following link:

<http://www.redditch.tgacademy.org.uk/curriculum/exam-countdown/>

Students who wish to make use of the facilities and study in school during study leave will need to sign in and out in the Sixth Form Centre on arrival and departure each day and observe the Sixth Form dress code at all times.

Later this term students will receive further information about the clearance process and the receipt of AS/A level examination results on Thursday 13<sup>th</sup> August. We will continue to offer our Sixth Form students every support during the examination period and as they finalise their plans after the results are published.

We wish all our Sixth Form students every success with their examinations.

Yours sincerely,

**Dr Jonathon Dale**  
**Head of Sixth Form**
