

Tudor Grange Academy Redditch

April 2015

Dear Parent/Guardian

The Final Push: Week Beginning Monday 20th April

As we are now in the Summer Term it is essential that all Year 11 students keep up the momentum regarding their revision and preparation for their final examinations.

We have issued a revision/lecture schedule which is a comprehensive guide to this period of intense revision sessions which will help to keep students motivated and confident at this vital time.

Once the written public examination period begins on Tuesday 12th May – you will see that students are either attending focused revision sessions with departments or they will continue to be taught in their subject lessons.

In addition, during this period students can arrive in College from 8am, and every day will be given a drink and 'healthy snack', in the Sixth form common room, to prepare for their important sessions each day.

Once the students officially leave on the afternoon of the 4th June they will only come in to College to attend any further examinations according to their individual timetables. However, we will ensure that the Sixth form block is available if they wish to continue to revise in College.

Thank you for your continued support at this challenging time.

Please do not hesitate to contact me if you have any queries.

Yours sincerely

Mrs B Lewis
Head of Year 11
