

June 2014

Dear Parents/Carers, Tudor Grange Academy Redditch

Year 10 History/RE Revision

As part of our support to ensure that all children achieve their best possible grades in their GCSE's we offer specific revision. I am therefore writing to advise you of a number of different revision resources and opportunities that are available to your son/daughter.

First and foremost both the History and RE departments offer revision sessions afterschool from 3.20-.4.00pm on a Monday and a Tuesday. Please discuss these sessions with your son/daughter and complete the reply slip below indicating which sessions they will attend. From time to time myself or a member of the department may contact you to request the attendance of your son/daughter due to recent assessment results.

Additionally both departments sell revision guides at a reduced price to what is available online. If you wish to purchase one these revision guides please complete the slip below.

Finally the school has created a virtual learning platform that allows your child to continue their learning whilst at home known as TGI Space. Many students are already familiar with this resource however it can be accessed by simply 'googling' TGI space. Students can then login with their normal details and access a wide variety of resources.

If you have any questions, please contact me at school:
mconnolly@redditch.tgacademy.org.uk

Yours Sincerely

Mr. M. Connolly

Head of History and RE

REPLY SLIP – Please return to Mr. Connolly by Friday June 19th
