

## Tudor Grange Academy Redditch

Dear Parents/Guardians,

Tudor Grange Academy Redditch would like to invite you to our 'E-Evening'. This will take place on the 17<sup>th</sup> September 2015 at 6pm and will last approximately one hour. This evening is to ensure that we, as a college, can inform you of current e-information. Also, as part of ongoing work to improve communication between the Academy, parents and carers, a new parent portal is now available. We will be able to provide, on this evening, your own personal 'login' to enable you to access this information. This portal will give you access to timely information about the Academy and your own son or daughter. The agenda for the evening is listed below.

1. E- Safety
2. The capabilities of social networking websites and applications.
3. Parent portal and sharing communications.
4. GCSE Pod and how you can support with home-learning.
5. TG Space and access to curriculum areas
6. TGAR Website and parent email.

This will be a great opportunity to share, with you, our investment in your child and their future. We very much look forward to seeing you and welcome any questions you may have.

Yours sincerely

Miss N. Crehan  
College Leader, Pictor.
