## How can Primrose help **you**?

Our **Day Hospice** offers a warm and friendly environment for our patients and is an opportunity to meet people in a similar situation.

Our **Primrose at Home** service allows patients to stay in the comfort of their own home at the end of their life.

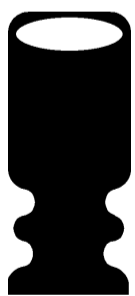

Our **Family Support Service** provides emotional support to patients, carers and loved ones.

We need to raise **over £1.6 million** each year to continue to provide our services for free
