GCSE Summer Examinations May 2017

Dear parent/carer

With the summer examinations imminent and without a completely stable transport system within the town I wanted to remind you of the information sent earlier this year regarding exam start times.

To prevent students missing the start of an examination due transport issues outside of their control, we have decided to start each morning examination at 9:30am as opposed to 9:00am. Very rarely have any forms of transport led to a student arriving much after 9:00am so we feel this is a reasonable time frame to arrive in preparation for an examination without feeling the anxiety caused by a late arrival.

With the later start, students are still expected to arrive by 8:45am, attend tutor period and then make their way to the theatre for 9:00am where they will receive some final 'Top Tips' from their teachers to remind them how to approach that particular exam. There will also be light refreshments provided in case breakfast has not been eaten.

We wish your son/daughter every success in these summer examinations and if you have any questions, please don't hesitate to contact me at the academy.

Yours sincerely,

Damon Gariff
College Leader Vela
