

25 May 2018

Dear Parent / Carer,

A Level Results Day 2018

Year 13 students can collect their A Level results from the Theatre from 8:30am on Thursday 16th August 2018. There will be several members of staff available in the Restaurant to offer students advice and guidance and the computers in the Diploma Suite can be used by any student requiring access to the UCAS Clearing system.

Please note that the Universities your son / daughter have accepted offers to will contact the students directly by email on the morning of results day. The Sixth Form team do not have access to this information. Results from any GCSE re-sit examinations and other Level 2 qualifications are not available until 10:00am on Thursday 23rd August 2018, therefore if a University offer requires one of these qualifications, the University may not confirm a place until after this date.

If students would like to have their results sent to them by post, a stamped addressed envelope should be forwarded to the school before the end of term. Results cannot be given out by telephone, but can be issued to another person. For this to happen, written authorisation must be provided by Monday 16th July. Alternatively, if students are out of the country they may see one of the Sixth Form team about having their results sent by text or email.

Finally, I would like to take this opportunity to congratulate all of our Year 13 students on their all of their hard work and wish them every success in the future. I also thank you, the parents, for your understanding and support over the last two years.

If you have any further questions, please contact me at school.

Yours faithfully,

Mr Mark Hulme
Head of Sixth Form
