

### Extra Intervention for year 11

Please support the intervention sessions that are put on during the school week by ensuring your son/daughter attends the revision sessions offered during the week. These sessions are delivered to support the courses and help prepare students for their GCSE's. Students who attended these sessions last year enjoyed improved results in the summer examinations. These sessions do not replace revision that should be undertaken at home.

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
