

Tudor Grange Academy Redditch Tanzania Impact Expedition

Visit the stunning Marangu waterfalls, experience the magic of safari and learn about Tanzanian culture and traditions on this immersive expedition. You'll be working closely with local people to improve infrastructure of rural villages and make a positive impact to the surrounding environment.

How you'll make a difference

You'll contribute to vital community, wildlife and environmental projects, making a measurable impact locally whilst supporting the global aims of the UN Sustainable Development Goals.

Expedition highlights

Work on vital projects to benefit the local community and environment

Keep an eye out for the Big 5 whilst on safari

Explore the Marangu Waterfalls in the foothills of Mount Kilimanjaro

Find out more...

Dear Parent/Carer,

We are delighted to be working with Camps International again, offering your son/daughter the opportunity to join us on a four-week expedition to Tanzania during the summer of 2023.

Come along to our informal presentation evening where you can learn more and ask questions about this exciting opportunity. We expect the presentation to last around 45 minutes.

WEDNESDAY 20TH OCTOBER at 18:00 in the LECTURE THEATRE

Who are Camps International?

Camps International are award winning global leaders in ethical and sustainable school expeditions. They offer fully supported school expeditions across Africa, Asia and Latin America, providing an authentic cultural experience for every travelling student and industry leading safety measures and *Booking with Confidence* procedures in place.

Where will they be going and what will they be doing?

In the summer of 2023, the team will head off to Tanzania to spend four weeks working on a range of sustainable and meaningful community and conservation projects, as well as going on safari and trekking to Marangu Waterfall and caves.

What will my son/daughter get out of the experience?

This fully supported expedition will provide your child with a unique opportunity to live alongside rural communities, broadening their perspective on the world. It will allow them to push boundaries and step outside of their comfort zone, embarking on a personal development journey. This will enable them to reach and exceed their academic and personal potential, develop valuable life skills, and gain key extra-curricular experience highly regarded by universities and employers.

How much does it cost and how will we pay for the expedition?

This all-inclusive expedition costs £3,980 which is protected by ATOL (6608) and can be paid via scheduled payment plans which facilitate fundraising activities and financial management. All students are encouraged to fundraise the cost, teaching them important life skills such as money management, problem solving and event planning. If, like many, fundraising is new to you, then don't worry. The Camps International crew will be there to support you and your son/daughter every step of the way.

What do I need to do next?

To ensure we have enough information packs please confirm your attendance online via the link below. Your School Code is **7513**

<https://form.campsinternational.com/register>

If you are interested but unable to attend the meeting, please email Sophie, your Regional Expedition Coordinator via Sophie.roy@campsinternational.co.uk.

Should snow or severe weather disrupt a planned presentation, please contact Mr Hampton in school for the dates and times of the rescheduled meetings.

We look forward to seeing you and your son/daughter at the presentation to tell you more about this

Kindest regards,

Tudor Grange Academy
Redditch
