Principal's Message

A very warm welcome to the new academic year. I hope you and your families enjoyed a restful and enjoyable summer break. I would like to extend a particular welcome to our new Year 9 pupils and their families as they join our school community. It has been a fantastic and settled start to the term, and I have been delighted to visit so many classrooms this week and see pupils fully engaged in their learning. Thank you for your continued support in making our school mobile phone free. The positive impact has been significant, with pupils more focused in lessons, more engaged with one another, and making the most of every learning opportunity. We look forward to another successful year ahead.

SEND and Safeguarding

Safeguarding is our highest priority. We are committed to ensuring that every pupil feels safe, supported and listened to throughout their time with us. Our dedicated safeguarding team works closely with pupils, families and external agencies where required, and all staff receive regular safeguarding training. We encourage pupils to speak to a trusted adult if they have any worries, knowing that support is always available. More information can be found by visiting our website at <https://www.redditch.tgacademy.org.uk/about/safeguarding/>

Personal Development

It was exciting to be able to welcome Silverstone Museum and Aim Higher into school on Friday to work with our new year nine students. Silverstone Museum ran a workshop on problem solving skills linked to careers in engineering and motorsport. Aim Higher ran a workshop on settling into a new school environment and setting targets for the three years ahead. This was a great opportunity for our students to have in their first few days at the school.

College Information

We have been excited to introduce our new Praise Point Cards to pupils and are delighted to see them already earning points towards Golden Tickets and rewards. Remember, points mean prizes! Our Praise Point Cards are linked to our Tudor Values and the positive characteristics we want to instill in all our pupils. Please do ask your child to show you their Praise Point Card and tell you all about it!
