

W/C 21st September 2026

The term is now in full swing, and it has been wonderful to see the school buzzing with energy and enthusiasm. We are particularly pleased with how well our new Year 9 students have settled into the rhythm of school life and become part of our community.

SENDIASS Advisers will be available in community venues across the county every month to provide impartial guidance on:

- SEND support
- Education, Health and Care Plans (EHCPs)
- Health and social care services
- SEND processes and procedures
- Your rights and available options

Tudor Grange Academy Redditch is passionate in ensuring our students are equipped with the skills and understanding necessary to prepare them for the world of work that follows education and so we are excited to announce the return of work experience for Year 10 students. A work experience placement gives young people a taste of 'The World of Work' so that they may begin to appreciate the demands that will be made upon them when they enter employment, opportunities to develop their employability skills and gain first-hand experience that will help them stand out in Post16 and Post-18 applications and to future potential employers. For 5 days, Monday 5th – Friday 9th July 2027, your child is invited to participate in a work experience placement.

Once a placement has been secured, the details need to be entered onto the Unifrog system. We invite all students to access this work experience opportunity. We acknowledge that this might push some of our students out of their comfort zone, but we hope they are able to see the benefits of this opportunity which was thoroughly enjoyed by our previous Year 10 cohort. We look forward to supporting them through their work experience journey and hearing all about it afterwards.

College Information

This week's assemblies have focused on helping pupils reflect on their first few weeks back at school and consider whether they are truly ready to learn each day.

We have encouraged students to ask themselves:

- Do I have the correct equipment to start learning each morning?
- Have I brought the right attitude today to get the most out of my school day?
- Do I know what to do when learning becomes challenging or things get difficult?

These reflections link closely to our character virtues for this half term: **Curious, Ambitious and Determined**. We are encouraging all pupils to demonstrate these qualities in their learning and daily interactions, helping them to build strong habits for success both in school and beyond.

We would be grateful for parents' support in reinforcing these messages at home by encouraging pupils to come to school well-prepared, positive and ready to embrace challenges in their learning.
