

MARXISM

CLASS CONFLICT:

A theory that states that there is **CONFLICT** between the two main **CLASSES** in society.

This conflict is between the BOURGEOISIES (ruling class) and the PROLETARIAT (working class)

Key ideas of Marxism:

- Bourgeoisies **EXPLOIT** the proletariat
- **CAPITALISM** and **PRIVATE PROPERTY** are the root of exploitation
- The proletariat will one day attain **CLASS CONSCIOUSNESS**
- The proletariat will one day **OVERTHROW CAPITALISM** and build a **COMMUNIST SOCIETY**
