

Your Guide to Year 11 Psychology

Assessment Criteria;

Every half term students are assessed using national curriculum grades A*-U. Each assessment is marked using AQA exam question mark schemes which can be found at;

<http://www.aqa.org.uk/subjects/psychology/gcse/psychology-4180/past-papers-and-mark-schemes>

And generic grade boundaries used A*=90%, A=80%, B=70% etc.

Mock Examinations are full past papers, sourced directly from the AQA website previous, and the grade boundaries which were published for that specific paper which can be found at;

<http://www.aqa.org.uk/exams-administration/results-days/grade-boundaries-and-ums>

Expectations of Students			
Students are expected to come equipped with appropriate stationary. They also need to read their teachers comments in their books and act on the feedback given. Students are expected to complete their progress tracking in the front of their books after every assessment.
