

Enrichment assembly

Introducing our leadership team

Well done to ...

Head boy: Owen Price
Head girl: Jessica Raymond

Well done to...

Deputy Head student:
Leah Share

Well done to...

- Sports Leaders:
- Lewis Wright (year 13)
- Danny Ishtiaq (Year 12)

Well done to ...

- Social secretary and events:
- Meg Freeman

Well done to...

- Charity and fundraising:
- Morganne Evans

I need to meet with...

- Lewis, Danny, Meg and Morganne to decide the plans for this term, so please stay behind at the end to organise a suitable time 😊
- The first student leadership meeting will take place Monday 11th October in the library I am just in the process of finalising the lower school team

What is enrichment?

- Enrichments not only give you chance to do something completely different but also help you broaden your skills, knowledge and experience giving you the edge when applying for higher education courses, apprenticeships or employment.
- **Connect with others** – enrichments are a great way to make new friends
- **Be physically active** – great for your mental health as well as physical health
- **Learn new skills** – give you the confidence to try new things and achieve
- **Give to others** – acts of kindness and giving to others to give you a sense of purpose and feel good!
- **Be mindful** – enjoy what is happening right now

Kindness
is
Magic

Expectations in sixth form ...

- You are expected to attend **at least one enrichment activity** per week.
- You are also expected to be a **subject ambassador** for a subject of your choice (**you need to organise this with a teacher**)
- You will be timetabled with the member of staff one a week and given a responsibility this could include working with an individual, working with a small groups of students, mentoring, filing, creating resources or displays
- You will need to register with the relevant member of staff, this is to track and monitor your attendance
- You may change your option each term if you choose to do so
- Form tutors will be having regular conversations with you to find out what you have been doing each term

Enrichment activities ...

- Each department will be running a minimum of one extra curricular activity which you can participate in/ support with (the timetable will be ready next Friday)
- Work experience once a week/ fortnight – if you have a day/ half day with no lesson you can organise this (your paid work is not included)
- Charity work
- Fortnightly sixth form sport activities
- School council
- Weekly games at lunch time in the hive
- Sixth form book club
- Reading with children in the hive
- Reading with students during form time
- Cadets
- School magazine
- First aid training
- Volunteering in the local community

We are open to ideas ...so if there is anything you would like to be involved in please come and see me

Enrichment booklets...

These will be kept in form and completed each week during enrichment time.

This will help you to:

- Develop your personal statements for university/ further study
- Develop your job applications
- Develop any covering letters
- Develop applications for apprenticeships
- Develop into a full rounded member of society

The world is a competitive place you need to show you have the edge

Enrichment Evidence

Complete and update this evidence booklet in tutor time.

One-off events (Trips, visits, residential visits, college visits, college competitions, university taster days)

Date	Event	Comments (<i>How was the event useful to you? Did you enjoy it? What were the things you most enjoyed? Did you learn anything?</i>)
E.g. 01/12	Example: Trip to the German Markets	Example: It was a chance to do something different. It gave me an insight into a bit of German festive <u>culture</u> and I got to see all the different stalls and sample some German foods. It was nice to take part in something for Christmas, as we went ice skating. I had fun with my friends and had some free time to explore.

Ongoing activities (Hobbies and interests, clubs, sports - both in and out of school)

Activity	Dates attended	Comments (<i>Did you enjoy this? Why? What impact did it have on you? What new skills and experiences have you gained? How has it added to what you do in school? Would you recommend this club?</i>)
Example: School production	Example: Autumn and Spring Term	Example: It is amazing to be a part of the production. You get to work with students from all year groups and make new friends. It is like being in a family. Everyone looks after each other. It has given me lots of new skills, such as performing in a professional company. I have also gained so much confidence from this. I would <u>definitely recommend</u> it and you get such a buzz from performing too!

Leadership and Community involvement (This page is for Student Leaders or Subject Ambassadors; you will be able to record the events and activities you have helped organise and plan. You may also record any key significant things you may have contributed to as a subject ambassador e.g. open evening)

Date	Event	Comments (<i>What was the event? What was its aim? Who was it for? Who was involved? Did you enjoy it? How did it benefit you or others? What was your involvement/achievement?)</i>)
<p>Example:</p> <p>15/12</p>	<p>Example:</p> <p>Visit to a nursing home to sing carols</p>	<p>Example:</p> <p>I am a part of the Community <u>Team</u> and we arranged a visit to the local nursing home to sing carols at Christmas. The residents appreciate visitors and a chance to be entertained and meet new people. We served tea and cakes and did bingo, as well as did some carols for the residents to join in with. It developed community spirit and helped us connect young and old people in the community together. It brought them enjoyment and made me feel like I had given something to others. It has made me realise how important this kind of thing is and I hope to do more in the future.</p>

Work experience (Work experience opportunities, paid or voluntary)

You can record any on-going part time or weekend job you may have. You can also record your work experience placements. You can also log any experience where you have completed some volunteer work or work experience of any kind (inside or outside of school.)

Role and location	Dates attended	Comments (<i>How is the activity useful to you and your chosen destination? What are you learning? Have you discovered anything unexpected? Has it made you consider your chosen career path differently? </i>)

Reading/ courses enrichment – Record any books you have read for pleasure or academic. This can include journals, academic reviews, review magazines. Record any courses or training you may have participated in |

Date	Activity	Comments (<i>How was the literature useful? What did you learn? Did you discover anything unexpected? Has it made you consider your chosen path differently? What might you do next to maximise the impact of this activity?</i>)

Your task between now and next week...

- Speak with your teachers and organise your subject ambassador slot
 - Have a think about the second enrichment activity you would like to participate in
 - Speak with staff in relation to any extra curricular activities they are offering and how you can help
 - Start to record any enrichment activities you have completed so far this academic year
 - Next week I will be issuing you with a form to record the subject you will be an ambassador for and the enrichment activities for the term
 - The extra curricular timetable will be available next week
-
