|----------------------------------|----------------------------------|---------------------------------|-------------------------|----------------------|----------------|
| | | | | | |

Complete this page in your booklet
List the activities you are interested in

List any activities you are involved in
outside of school

List what you participated in last term
and list what you will be participating in
this term

Task 2

Complete and update this evidence booklet in tutor time.

One-off events (Trips, visits, residential visits, college visits, college competitions)

| Date | Event | Comments (How was the event useful to you? Did you enjoy it? What were the things you most enjoyed? Did you learn anything?) |
|---------------|--|--|
| E.g. 01/12 | Example: Trip to the German Markets | Example: It was a chance to do something different. It gave me an insight into a bit of German festive <u>culture</u> and I got to see all the different stalls and sample some German foods. It was nice to take part in something for Christmas, as we went ice skating. I had fun with my friends and had some free time to explore. |

Record any trips and college competitions you have participated in here

Task 3

Ongoing activities (Hobbies and interests, clubs, sports - both in and out of school work experience)

| Activity | Dates attended | Comments <i>(Did you enjoy this? Why? What impact did it have on you? What new skills and experiences have you gained? How has it added to what you do in school? Would you recommend this club?)</i> |
|-------------------------------|------------------------------------|--|
| Example: School production | Example: Autumn and Spring Term | Example: It is amazing to be a part of the production. You get to work with students from all year groups and make new friends. It is like being in a family. Everyone looks after each other. It has given me lots of new skills, such as performing in a professional company. I have also gained so much confidence from this. I would <u>definitely recommend</u> it and you get such a buzz from performing too! |
| | | |

Record any extra curricular clubs you attended last term here both in and out of school

Task 4

Leadership and Community involvement (This page is for Student Leaders or Subject Ambassadors; you will be able to record the events and activities you have helped organise and plan. You may also record any key significant things you may have contributed to as a subject ambassador e.g. open evening)

| Date | Event | Comments <i>(What was the event? What was its aim? Who was it for? Who was involved? Did you enjoy it? How did it benefit you or others? What was your involvement/achievement?)</i> |
|-----------------------|--|--|
| Example: 15/12 | Example: Visit to a nursing home to sing carols | Example: I am a part of the Community <u>Team</u> and we arranged a visit to the local nursing home to sing carols at Christmas. The residents appreciate visitors and a chance to be entertained |

In this section you need to record you attendance to student council and any activities you have organised.

If you supported during open day last term please record this here

Task 5

Academic enrichment – Trips within a subject you study related to your courses. E.g. Geography field trip etc. Anything you feel proud of in relation to a subject – coursework etc.

| Date | Activity | Comments <i>(How was the activity useful to you and your chosen destination? What did you learn? Did you discover anything unexpected? Has it made you consider your chosen path differently? What might you do next to maximise the impact of this activity?)</i> |
|------|----------|--|
| | | |

You need to record any subject related school trips here

Also record anything you were proud of in relation to your subjects last term
